III. Other Milestones

- **Finastra** has provided a written commitment to KTU expressing willingness for an **exclusive placement drive** for 2022 Pass outs from College of Engineering Kidangoor and Sree Buddha College of Engineering, Pattoor since students from these two colleges were the winners in last year's international hackathon. We have communicated with Finanstra in this regard and registration of students for placement drive is completed.

- Our college is selected for **TCS Youth Employment Program** which is a free training program to enable weak students placement ready. Program is offered for current pre-final year students. Girl students, economically and socially weak students are selected (50 students batch) and waiting for commencement.

- Invitation received to apply for **Campus Connect 2.0** by **Infosys**. Waiting for further processes.

- Students are actively encouraged to participate in G Tech ulearn platform.

- Moodle platform is using actively for self test and evaluation processes for students.
