

COLLEGE OF ENGINEERING KIDANGOOR

In the COVID-19 season, we maintain our academic (and personal contacts) with our students. We interact with our students through live online classes, recorded classes, sharing course materials through our campus management systems, learning management systems, and other online platforms.(CANVAS, Google classroom, Zoom, Webex, etc). We also conduct online review tests (timetable for 1 Hr review tests) and quizzes of the portions visited through the COVID-19 season.
